

Sam And Mark, With A Little Help From Y Friends

what would you think if i sang out of tune,
would you stand up and walk out on me,
lend me your ears and ill sing you a song
and ill try not to sing out of key.

oh i get by with a little help from my friends,
i get high with a little help from y friends,
im gonna try with a little help from my friends,

what do i do when my love is away,
does it worry you to be alone,
and how do i feel by the end of the day,
are you sad because your on your own

no, i get by with a little help from my friends
i get high with a little help from my friends,
im gonna try with a little help from my friends,

and do you need anybody,
i need somebody to love
and could it be anybody
i want somebody to love
to love to love to love to love

wont you believe in love at first sight
yes im sure that it happens all the time
what do you see when you turn out the light
i cant tell you but i no that its right

i get by with a little help from my friends
i get high with a little help from my friends,
im gonna try with a little help from my friends,

do you need anybody,
i just need somebody to love
and could it be anybody
i want somebody to love

o, i get by with a little help from my friends
i get high with a little help from my friends,
im gonna try with a little help from my friends,

i get by with a little help from my friends
i get high with a little help from my friends,
im gonna try with a little help from my friends,

i get by with a little help from my friends
with a little help from my friends
