

Sam Phillips, I'm Finding

Verse 1:

I'm finding that I'm falling
In love with you every day
And I'm finding that I'm finally
Starting to see things your way

It's taken me a long time
To trust you with my heart
But I knew once I did that I'd start
Finding that I'm falling
I'm falling in love with you

Verse 2:

I'm finding that I'm living
Instead of just getting by
And you've given me a purpose
I'm not just waiting to die

It's taken me a long time
To realize you care for me, Lord
Oh, thank you for waiting patiently
And I'm finding that I'm falling
I'm falling in love with you

Bridge:

I can see now who you really are
You're my Lord and
You're the brightest morning star

Ending:

It's taken me a long time
To realize you care for me, Lord
Well, thank you for waiting patiently
And I'm finding that I'm falling
I'm falling in love with you
In love with you
In love with you
