

# Sam Phillips, Lying

if i said i believe my eyes  
and science can move my soul  
if i said i'm not afraid to die  
and i don't need you

i'd be lying

if i said the way he looks at me  
doesn't make me want to undress  
if i said i could leave you now  
and go where i could forget

i'd be lying

i've been lying all my life with silence  
and i need to find the words to tell you

if i said i don't want what i don't have  
and all the answers are enough  
if i said i believe in myself  
and that's enough

i'd be lying
