Samantha Ronson, If It's Gonna Rain

If it's gonna rain then let it rain
Clean the streets and clear the air
Cause I'm in bed and I cant' sleep
And the rhythm when it's there
Makes a beat that I can't write to
And the thunder makes me long for you
This time between too long for me
But I can't picture your face
But recall a picture of your face
But that's not you to me
You weren't lookin' at me
The smile that I can't see
Was there anyone anyone not me
But I'm here holdin' on to that
Like a fool I'm holdin' on to that
Cause the picture's hangin' on the wall
The face the never ever knew me at all
Holdin' on to you
If it's gonna rain then let it rain
Bleed the color into grey
Cause the rainbow makes me weak
So I'm runnin' from the sun
Let me drown here in this darkness
Cause the colors make me long for you
This time between too long for me
But I can't see your face
Just recall a picture of your face
But that's not you to me
You weren't lookin' at me
The smile that I can't see
Was there anyone anyone not me
But I'm here holdin' on to that
Like a fool I'm holdin' on to that
Cause the picture's hangin' on the wall
The face the never ever knew me at all
Holdin' on to you
Holdin' on to you
Holdin' on to you
Holdin' on
But that's not you to me
You weren't lookin' at me
The smile that I can't see
Was there anyone anyone not me
But I'm here holdin' on to that
Like a fool I'm holdin' on to that
Cause the picture's hangin' on the wall
A face the never ever knew me at all
Holdin' on to you
I'm here holdin' on to that
Like a fool I'm holdin' on to that
Cause the picture's hangin' on the wall
A face the never ever knew me at all
Holdin' on to you
If it's gonna rain then let it rain
