

# Sandra, Heartbeat (That's Emotion)

Heartbeat that's emotion  
Heartbeat it's devotion  
Ever more desire  
Tell me is 'someone who's better

Heartbeat that's emotion  
Heartbeat it's devotion  
Ever more desire  
Tell me is someone who's better  
In my life

Oh, I don't know if your love is right  
On, take you love away  
I'm jealous by this begging you to stay  
Even if I dream of you  
I'm doing all the scenes  
I never thought you do it once again

I get my time to be a lyer

Heartbeat that's emotion  
Heartbeat it's devotion  
Ever more desire  
Tell me is 'someone who's better

Heartbeat that's emotion  
Heartbeat it's devotion  
Ever more desire  
Tell me is 'someone who's better  
In my life

I lock my soul for many times  
Changing fellings in me  
Calling circles of  
Confusion leaving me

I get my time to be a lyer

Heartbeat, heartbeat  
Heartbeat, heartbeat  
Heartbeat, heartbeat  
That's emotion

Heartbeat, heartbeat  
Heartbeat, heartbeat  
Heartbeat, heartbeat  
More desire  
Tell me is someone who's better

Heartbeat, heartbeat  
That's emotion  
Heartbeat, heartbeat  
It's devotion  
Ever more desire  
Tell me is someone who's better...
