

Sandra, Hi! Hi! Hi!

you
can't run
can't hide
i
can't leave
your side

when your heart is burnin'
turn me inside out if you can
love is just the yearnin'
searchin' for a caressin' hand

Hi! Hi! Hi!
we need emotion
love is incurable
i say Hi! Hi! Hi!
gimme a sign
we might apologize
an' we might realize
Hi! Hi! Hi!
we need emotion
love is incurable
i say Hi! Hi! Hi!
gimme a sign

i
can't lie
can't fly
while
we share
this style

this might be the answer
to the latest question we had
runnin' round my mind
it doesn't cease drivin' me mad

Hi! Hi! Hi!
we need emotion
love is incurable
i say Hi! Hi! Hi!
gimme a sign
