

Sandra, Maybe Tonight

Look at you
Staring at me from the bar over there
It's not all about me
Suddenly you're sitting next to my chair

No, no I just can't stop
No, no I'll never stop

Maybe tonight
You're makin' it dangerous
It depends on how you play
Maybe tonight
You're makin me curious
But don't blame it all on me

'cause it's a one for emotion
Two for a love
Three for everything you are thinkin' of
Maybe tonight /4x

Let me go
You're sharing all your illusions with me
'cause I know
One day you will leave and won't come back to me

No, no I just can't stop
No, no I'll never stop

Maybe tonight
You're makin' it dangerous
It depends on how you play
Maybe tonight
You're makin me curious
But don't blame it all on me

'cause it's a one for emotion
Two for a love
Three for everything you are thinkin' of
Maybe tonight

No, no
No, no

Maybe tonight
You're makin' it dangerous
It depends on how you play
Maybe tonight
You're makin me curious
But don't blame it all on me

'cause it's a one for emotion
Two for a love
Three for everything you are thinkin' of
Maybe tonight /4x
