Sandra, Stop For A Minute

I will try I will try

not to lose my own

If you cry

That secret down

Open up your eyes again

Even you can try Dont you think

you tóil in vain

What have you come to be, to be now?

Stop for a minute

You better change

your heart in time

Stop for a minute

You can believe that part of mine

III be protectin you

From what you run into

If you will hold on

Stop for a minute

I rely

I rely on my chance to know

You and I

Could feel as once

Open up and start again

An take a look around

Dont you see what I have meant

What have you come to be, to be now?

Stop for a Minute...

And what is left to you

Where are you goin to

That sorrow in your life

What did you come to be now?

Stop for a minute...
