

Santana, Anywhere you want to go

- Hey, baby
- What's your name baby?
- Come on little girl, sit on my lap!

So tell me what you want to do
The way you want to go
We can fly, we can drive, we can walk baby
I don't know
Maybe take a top down
With the wind in your head
Maybe to the beach or mountains
You know, I don't care
I don't care, I don't care

I'll take you where you want to go
Anywhere You Want To Go

I can see the sunshine
From the oil of your skin
All you've got to do is take a chance now
Babe, come on
We can go to Santa Cruz
La Paz or ...
Maybe to ... , New Orleans
Down the paths through the hurricanes

I'll take you where you want to go
Anywhere You Want To Go
