

# Santana, Rob Thomas, American Authors, Move

You got me losing my head  
i never know what i am said  
you got me spinning around and around

i never know if i am right  
but i've been feeling tonight  
that we can make all the walls  
calm down

and now i am singing  
uuuhu, uuuhu  
cause i feel like i want you  
we're coming to tonight  
and today is a brand new day!
