

Santana, Smooth (Chris Staropoli Remix)

Man it's a hot one
Like seven inches from the midday sun
I hear you whisper & the words melt everyone
But you stay so cool
My muequita, my Spanish Harlem Mona Lisa
You're my reason for reason
The step in my groove

BRIDGE:

And if you said this life ain't good enough
I would give my world to lift you up
I could change my life to better suit your mood
'Cause you're so smooth

CHORUS:

And it's just like the ocean under the moon
it's the same as the emotion that I get from you
You got the kind of lovin' that can be so smooth
Gimme your heart, make it real
Or let's forget about it

I'll tell you one thing
If you would leave it would be a crying shame
In every breath and every word
I hear your name calling me out
Out from the barrio
you hear my rhythm on your radio
You feel the turning of the world so soft and slow
Turning you round and round

BRIDGE:

And if you said this life ain't good enough
I would give my world to lift you up
I could change my life to better suit your mood
Cause you're so smooth

CHORUS:

And it's just like the ocean under the moon
it's the same as the emotion that I get from you
You got the kind of lovin that can be so smooth
Gimme your heart, make it real
Or let's forget about it
