

# Santigold, The Keepers

I walk blind with smoke in my eyes  
It's like we don't know where we been  
That's it, boy, just state your case  
You're just as wrong as you were then  
One tough move throw your hands up  
Say I don't make no rules  
No one even knows I'm here  
Now its on you to man up  
You say no weight'll hang on what you say

We're the keepers  
While we sleep in America  
Our house is burning down  
Our house is burning  
We're the keepers  
While we sleep in America  
Our house is burning down  
Our house is burning  
Down, down it burns down  
Our house is burning down

Ask me why a dream gets you by  
But let it want, turns a dangerous thing  
Watch out for it, it snakes right past  
Then turns around and it sucks you in  
What happens when you get stuck  
Get to the bottom of the illusion that you're in  
From the roots now it's shook up  
Know that what ails without will do you in

We're the keepers  
While we sleep in America  
Our house is burning down  
Our house is burning  
We're the keepers  
While we sleep in America  
Our house is burning down  
Our house is burning  
Down, down it burns down  
Our house is burning down

And not a thing I've done  
Abates my fear  
And not a thing I've done  
Abates my fear  
And still although our hearts can't run  
We are gone  
We are gone  
On the heels of all we have done, know

We're the keepers  
While we sleep in America  
Our house is burning down  
Our house is burning  
We're the keepers  
While we sleep in America  
Our house is burning down  
Our house is burning  
Down, down it burns down  
Our house is burning down
