

Sara Evans, Four-Thirty

It's been so long ~ I should be used to this by now
Loneliness that keeps comin back around
The moon on my window, oh casts a different light
On all these memories that keep me up tonight

Hey I know just what I need
Thats you and in a hurry
If I got on the road right now
I'd see ya at 4:30...
Hey I...

Think I have about ~ Sixty miles of gasoline left in my car
Theres an all night truck stop ~ Yeah bet I could get that far
I just close my eyes and smell the coffee in the air
I'll fill my cup, If you wait up, I'll soon be there

Hey, I'm letting go
So, baby don't you worry
Wheels on ground, I won't slow down
I'll see ya at 4:30..
Hey I..yea...Hey I...

I won't allow my mind to talk me out of this
Pass every exit sign, cause thats the way it is

Hey, Im letting go
So, baby dont you worry
Wheels on ground, I wont slow down
I'll see ya...yea..
Hey I know just what I need
That's you and in a hurry
Oh wheels on ground, I won't slow down
I'll see ya... at 4:30..
Hey I...Yea...Hey I...Oh oh..oh oh oh ohhh...

Hey I...Yea...
Hey I...Yea
Hey I...Oh oh...oh oh oh ohhh
Hey I...Hey I...Hey I...
