

# Sarah Bonnici, Loop (Malta - piosenka na Eurowizji)

Don't you know  
That you got me  
That you got me  
Yeah, me, yeah

Got me so hot  
Burning up like a fever  
I'm a honeypot  
Never tasted nothing sweeter  
Thought you could turn me down  
No, no, no  
Let's go another round  
Slow

Don't you tell me I'm your addiction  
It was obvious you'd end up like this

Not my fault that you got-got-got me on (Loop)  
I'm all in, but the b-b-b-blame is on (You)  
I'm a tease and, oh God, you love it when I  
M-m-m-move, m-m-m-move  
In your head all night you got me on  
Got me on, got me on  
Loop

Cherry on top, you're the cinnamon  
Making my heart skip a little bit  
Like, "Ra-pa-pa-bam-ba, ra-pa-pa-bam-ba", yeah  
You know how to spin me boy

Don't you know you're my, my addiction  
It was obvious we'd end up like this

Not my fault that you got-got-got me on (Loop)  
I'm all in, but the b-b-b-blame is on (You)  
I'm a tease and, oh God, you love it when I  
M-m-m-move, m-m-m-move  
In your head all night you got me on  
Got me on, got me on  
Loop

Ooh  
Ooh

It was obvious we're addicted  
Addicted  
Yeah, it was obvious  
Here we go again  
Huh

(Loop)  
I'm all in, but the b-b-b-blame is on (You)  
I'm a tease and, oh God, you love it when I  
M-m-m-move, m-m-m-move  
In your head all night you got me on  
Got me on, got me on  
Loop, ah
