

# Sarah Brightman, How Can Heaven Love You

Sarah brightman  
Fell from the grace of heaven's prow

Chris thompson  
Listening as the abyss calls our name

Sarah brightman  
Descending stars from golden clouds

Chris thompson  
Falling to the rage of angels

Sarah brightman  
Bringer of light from on high  
Bound to the earth and unable to fly...

Chris thompson  
I don't know?  
I don't know?  
I don't know?  
How can heaven love me

Sarah brightman  
You don't know?  
You don't know?  
You don't know?  
How can heaven love you

We loved in a time before the fall

Chris thompson  
Welcome to the arms of solitude

Sarah brightman  
Beneath us the heat that hearts exude

Chris thompson  
Is this really heaven?

Sarah brightman  
We'd fight with the gods for our dreams  
Where paradise falls eternity screams

Chris thompson  
I don't know?  
I don't know?  
I don't know?  
How can heaven love me

Sarah brightman  
You don't know?  
You don't know?  
You don't know?  
How can heaven love you

Chris thompson  
Die welt ein tor  
Zu tausend wsten stumm und kalt  
Wer das verlor, was du verlorst  
Macht nirgends halt  
The world is a gate  
To thousand deserts mutely and coldly  
He is lost, which you lost

Stopped by nothing  
In my arm I shall hold

Sarah brightman  
Crystallized as starlight  
Lost in paradise

Chris thompson  
I don't know?  
I don't know?  
I don't know?  
How can heaven love me  
I don't know...

How can heaven love me?
