

# Sarah Brightman, Join Me

Will you join me, join me, join me  
Will you join me, join me, join me  
Will you join me, join me, join me

We are so young  
our lives have just begun  
but already we are considering  
escape from this world  
and we've waited for so long  
for this moment to come  
was so anxious to be together  
together in death

Won't you die tonight for love  
Will you join me in death  
Won't you die  
Will you join me in death  
Won't you die tonight for love  
Will you join me in death  
Join me in death

This world is a cruel place  
and we're here only to lose  
so before life tears us apart let  
death bless me with you

Won't you die tonight for love  
Will you join me in death  
Won't you die  
Will you join me in death  
Won't you die tonight for love  
Will you join me in death  
Join me in death

This live ain't worth living  
This live ain't worth living  
This live ain't worth living  
Join me, join me  
This live ain't worth living

Won't you die tonight for love  
Will you join me in death  
Won't you die  
Will you join me in death  
Won't you die tonight for love  
Will you join me in death
