

# Sarah Brightman, Third Letter Home

Mum my Green Card came this morning  
It's all legal I can work now.  
We had a party at the Salon  
They all can't wait to meet you!

I must keep myself busy 'cause I've really been quite stupid  
I've met a man who's very nice  
And very married too!  
He's got two kids as well mum  
And he says he's going to leave them  
I'm scared in case he doesn't  
And I'm scared in case he won't.

He does not come round often  
When he does, I feel like saying leave the  
Money on the sideboard, I could do  
But I don't.  
And I don't like the feeling...  
I know if Dad could see me...
