

Sarah Vaughan, Just One Of Those Things

It was just one of those things
just one of those, crazy things.
One of those bells,
that now and then rings.
Just one of those things.

It was just one of those night.
Just one of those, fabulous flights.
A trip to the moon
on gossamer wings.
Just one of those things.

If we'd thought a bit of the end of it
when we started painting the town
We'd have been aware that our love affair
was too hot not to cool down

So goodbye dear and amends.
Here's hoping we meet now and then
'cause it was great fun
but it was just one of those things.
