

Sarsa Markiewicz, eMMa Nuci Organic

It's quiet warm outside
Ima little drunk
I'm afraid to admit
If you won't dance
I won't sing
You won' dance
I won't sing

Ima little drunk

Are you like me now? /4x
When I am
Ima little drunk

So cold with you
Cold with you
Colder without you

I like cold drinks

Ima little drunk

I like hot drinks, yeah!
