Sarsa Markiewicz, Feel No Fear

Come on heal Come on heal I said She just didn't stay still Come on heal Come on heal I said She could do anything Come on heal Come on heal I said She knows her (?) Come on heal Come on heal the world She doesn't feel anything Come on heal the world Come on heal the world No she can do no wrong to me To me /4x

I sure if you go really slow, you can find out If you go really slow, you can find the truth If you go really slow, you can see the sky If you feel no fear to try

To feel no fear I said to feel no fear Just feel no fear /2x

Come on heal Come on heal the world You can take what you want Come on heal Heal yourself

To feel no fear I said to feel no fear Just feel no fear /2x
