

# Sasha, Hide and Seek

Some things are certain  
Some things feel strange  
I'll show you one thing  
The smile on your face is gonna change  
I heart the mourning  
I saw the signs  
I keep on searching  
'Cause I'm curious and walk across the line  
Maybe you are a good boy  
Maybe you are a bad boy  
I hardly know the role you chose to play.  
Maybe you are a good boy  
Maybe you are bad boy  
But in the end I'll find out anyway  
Wo oh oh oh  
Wo oh oh oh  
Above all the secrets you keep  
Wo oh oh oh  
Wo oh oh oh  
It's like hide and seek  
I don't feel sorry  
To track you down  
Would you let me wonder ?  
Ever since the came around  
Maybe you are a good boy  
Maybe you are a bad boy  
I hardly know the role you chose to play.  
Maybe you are a good boy  
Maybe you are a bad boy  
But in the end I'll find out anyway  
Wo oh oh oh  
Wo oh oh oh  
Above all the secrets you keep  
But until that day  
Wo oh oh oh  
Wo oh oh oh  
Its just hide and seek  
Wo oh oh oh  
Wo oh oh oh  
Wo oh oh oh  
Wo oh oh oh  
Wo oh oh oh (Maybe you are a good boy)  
Wo oh oh oh (Maybe you are a bad boy)  
Wo oh oh oh (I hardly know the role you chose to play)  
Wo oh oh oh (Maybe you are a good boy)  
Wo oh oh oh (Maybe you are a bad boy)  
Wo oh oh oh (But in the end I'll find out anyway)  
Maybe you are a good boy  
Maybe you are a bad boy  
But in the end I'll find out anyway
