

Sasha, Just Have A Second Away

Music: Michael B. & di Lorenzo

Lyrics: Michael B., di Lorenzo & Pete Smith

Verse 1

Just a second of your time
is all I need to make you mine

I can feel you

you know I do

If we take a little care

believing in this thing we share

walls I'll run through

to get near you

Chorus

Just a second away

just a second away

and I fall into you

nothing more I can say

all it takes is one look

and I know we'll get through

Verse 2

Dreaming of you all the time

I can't sleep until I find

your love completely

wrapped around me

People tend to come and go

but I've a feeling in my soul

moments from me

I'll know you'll be

Chorus

Bridge

It's easy to lose your way

nothing's ever cast in stone

but I'm coming home today

I've been gone for far to long
