

# Satellite Party, The Solutionists

Today, we all got to be brave.  
We all got to be brave.

Oh I hoped for comfort,  
But I never felt too safe,  
And in this hard life,  
I've had to navigate through,  
Unexhausted.  
Has been my virtue.

Oh I hoped for comfort,  
But I never felt too safe,  
And in this hard life,  
I've had to navigate through,  
Unexhausted.  
Has been my virtue.

They set themselves against I,  
They set my pride on fire.  
Phoenix always rises high,  
Rebel crusaders.

Today, we all got to be brave.

Oh I've hoped for comfort,  
But I've never felt too safe,  
And in this hard life,  
I've had to navigate through,  
Unexhausted.  
Has been my virtue.

Oh I hoped for comfort,  
But I never felt too safe,  
And in this hard life,  
I've had to navigate through,  
Unexhausted.  
Has been my virtue.

The paradox of poverty,  
Has left us dismayed.  
Sliding democracies,  
Washing away.  
The toil of the many goes,  
To the fortunate few.

The Revolution Solution,  
Oh I've come to join you.

Yeah I'm coming.  
I'm coming.  
You know,  
You got to be brave.  
You got to be brave.
