Savage Garden, Gunning Down Romance

Love and other moments are just chemical reactions in your brain In your brain
And feelings of aggression are the absence of the love drug in Your veins, in your veins
Love come quickly
Because I feel my self-esteem is caving in It's on the brink
Love come quickly
Because I don't think I can keep this monster in It's in my skin

Love and other socially acceptable emotions are morphine They're morphine
Cleverly concealing primal urges often felt but rarely seen
Rarely seen
Love I beg you
Lift me up into that privileged point of view
The world of two
Love don't leave me
Because I console myself that HallmarkT cards are true
I really do

I'm gunning down romance It never did a thing for me But heartache and misery Ain't nothing but a tragedy

Love don't leave me

Take these broken wings
I'm going to take these broken wings
And learn to fly
And learn to fly away
And learn to fly away

I'm gunning down romance
