

Savannah Outen, If you only knew

If you only knew that I think about you in kind of secret way
I say kind of cuz well it's obvious I must be feeling these things
Too bad you can't tell 'cause
If you only knew
It would be a dream come true
To be standing next to you
Yeah I might go insane to know
that you feel the same as I do
If you only knew
If you only knew I write songs about you and the lyrics all reveal
I imagine us chilling out and stuff when I close my eyes this is real
Singing out your name
If you only knew
It would be a dream come true
To be standing next to you
Yeah I might go insane to know
That you feel the same as I do
And then maybe someday
You'd write me a song too
If I had it my wayyyyyy
If you only knew
If you only knew
If you only knew
It would be a dream come true
to be standing next to you
yeah I might go insane
If you only knew
It would be a dream come true
Yeah I might go insane to know
That you feel the same as I do
If you only knew
