

Savatage, Conversation Piece

I haven't thought about you for awhile
It seemed so far away
I keep your picture hidden in a file
Of favorite one act plays
Like pieces of myself
Cut off in desperation
As offerings to thee
I keep them on a shelf
They're good for conversation
Over a cup of tea, yeah, cup of tea

I put it all down in a letter once
A letter I don't send
It made me feel much better at the time
I thought it'd help me mend

The pieces of myself
Cut off in desperation
As offerings to thee, yeah
I keep them on a shelf
They're good for conversation
Over a cup of tea, yeah, cup of tea
