Savatage, Conversation Piece

I haven't thought about you for awhile It seemed so far away
I keep your picture hidden in a file Of favorite one act plays Like pieces of myself Cut off in desperation As offerings to thee I keep them on a shelf They're good for conversation Over a cup of tea, yeah, cup of tea

I put it all down in a letter once A letter I don't send It made me feel much better at the time I thought it'd help me mend

The pieces of myself
Cut off in desperation
As offerings to thee, yeah
I keep them on a shelf
They're good for conversation
Over a cup of tea, yeah, cup of tea
