

Saweeetie, Fast (Motion)

Fast, i am coming in fast
First place, you coming in last
(That's right!)
I am hitting that, hitting that gas
I am hitting that, hitting that ass
(My body!)

I am coming in fast
First place, you coming in last
I am hitting that, hitting that gas
I am hitting that, hitting that

Lo comotion
We causing a commotion
I put in
I put in
I put in motion
I put in
I put in
I put in Motion
Lo comotion
We causing a commotion

.... Bitch, in the whole damn land
I hit the road in a all while lamb
I keep a fresh set up on my hands
You don't like me but you on my gram

How you look?
How you look?
How you sound, hoe?
I am a boss
I am a brat
Hard to handle

I am a real life mood
A real life muse
Go tsome pretty ass toes in my sandals
I can;t hlep i was born like this
Ain't my fault hat you want my drip
Little bitter bitch could have been my friend
Now you gotta listen while i pop my shit

Fast, i am coming in fast
First place, you coming in last
(That's right!)
I am hitting that, hitting that gas
I am hitting that, hitting that ass
(My body!)

I am coming in fast
First place, you coming in last
I am hitting that, hitting that gas
I am hitting that, hitting that

Lo comotion
We causing a commotion
I put in
I put in
I put in motion
I put in
I put in
I put in Motion
Lo comotion

We causing a commotion
