

# Saxon, Freeway Mad

[Byford/Quinn/Oliver/Dawson/Gill]

I'm screaming down the freeway  
Gonna try and burn you out  
I'm keeping in the fast lane  
Top me and I'll take you out

And I know, yes I know  
I want it so bad  
I'm freeway mad

I'm burning down the freeway  
Doing ninety miles an hour  
I'm faster than a speedboat  
Pulling every inch of power.

And I know, yes I know  
I want it so bad  
I'm freeway mad

I'm going down the freeway  
Never gonna get me out  
Steaming like a freight train  
Gonna blow my pistons out

And I know, yes I know  
I want it so bad  
I need it so bad  
I want it so bad  
Fu-fu-fu-fucking freeway mad
