

# Saxon, Motorcycle Man

If you see me flashing by  
Do not stop me, do not try  
'Cause I'm a motorcycle man  
I get my kicks just when I can

Motorcycle man  
Motorcycle man

I can beat your street machine  
We're taking risks, that's what we mean  
'Cause I'm a motorcycle man  
We get our kicks just when we can  
When we can

Motorcycle man  
Motorcycle...

If you see me riding by  
Do not stop me, do not try  
'Cause I'm a motorcycle man  
I get my kicks just when I can  
When I can

Motorcycle man  
Motorcycle man  
Motorcycle, motorcycle  
Motorcycle man

I can beat your street machine  
I'm taking risks, that's what I mean  
'Cause I'm a motorcycle man  
We get our kicks just when we can  
When we can
