

Saxon, Need For Speed

Scream Into Danger
That's Just What I Like
Pushing It Harder
The Feeling Is Right
Faster And Faster
Don't Loose Your Grip
Live For The Moment
There's Nothing Like This

I Need The Rush
Can't Get Enough
I Got The Need For Speed

Out To The Limit
I'm Here For The Ride
Don't Try To Stop Me
Just Open It Wide
Wind Back The Throttle
Your Foot To The Floor
Up To The Red Line
Give It Some More

I Need The Rush
Can't Get Enough
I Got The Need For Speed

Scream Into Danger
That's Just What I Like
Pushing It Harder
The Feeling Is Right
Faster And Faster
Don't Loose Your Grip
Live For The Moment
There's Nothing Like This

I Need The Rush
Can't Get Enough
I Got The Need For Speed
