

# Saxon, Redline

Hey baby (\*)  
Why don't you come and ride with me  
Like a bullet  
I'm the fastest thing you've ever seen

Hey Momma (\*\*)  
Can't you hear the master scream  
Feel the power  
Riding on my mean machine

Just me and my machine (\*\*\*)  
Out on the highway  
Just me and my machine  
I'll take you tonight  
To the redline

Like lightning  
It's the only way I get my fun  
Don't stop me  
I got to let my motor run

Sensation  
Running up and down my spine  
Celebration  
Streaking past the winner line

(Repeat \*\*\*)  
(Repeat \*)  
(Repeat \*\*)  
(Repeat \*\*\*)

To the redline  
I'll take you tonight  
To the redline
