Scabs, Tracy

I don't know if I can make you mine

I don't know for sure if love is blind

Have a heart girl, let me spoil you once for a day

You may be smart, you've got the brains

But I've got adrenaline in my veins

If you want to, I could try to make you stay

We can do things you like to do

Go see a play and a movie too

We could stop for a takeaway

And if you don't have fun

You could walk away

But if you do

You'll miss what I have to say

I said Tracy, come on Tracy

You could love me if you try

I wanna sleep with you tonight

I may be dumb, but then I ain't no troglodyte

Sometimes you make me wonder why

Sometimes I think it's do or die

Let me show you, why don't you give me a break

I see that you're having second thoughts

You look at the roses that I bought

I hear you sigh which means that you don't really know what to say

We can do things you like to do

Go see a play and a movie too

It'll be like a holiday

And if you don't have fun

You could walk away

But if you do

You'll miss what I have to say

I said Tracy, come on Tracy

You could love me if you tried

I wanna sleep with you tonight

I may be dumb, but then I ain't no troglodyte

We can do things you like to do

Go see a play and a movie too

Or go to a cabaret

And if you don't have fun

You could walk away

But if you do

You'll miss what I have to say

I said Tracy, come on Tracy

You could love me if you tried

I wanna sleep with you tonight

I may be dumb, but then I ain't no troglodyte

I said Tracy, come on Tracy

You could love me like I am

You know that I don't give a damn

About your friends making fun of me for the way I am
