

# Scala & Kolacny Brothers, My December

This is my December  
This is my time of the year  
This is my December  
This is all so clear

This is my December  
This is my snow covered door  
This is my December  
This is me alone

Just wish we were alone together, have something like this  
Take back all the things I've said to make you feel like that  
Just wish we were alone together, have something like this  
Take back all the things I've said to you

And I'd give it all away  
Just to have somewhere to go to  
Give it all away  
To have someone to come home to

This is my December  
These are my snow covered dreams  
This is me pretending  
This is all I need

Just wish we were alone together, have something like this  
Take back all the things I've said to make you feel like that  
Just wish we were alone together, have something like this  
Take back all the things I've said to you

And I'd give it all away  
Just to have somewhere to go to  
Give it all away  
To have someone to come home to

Give it all away  
Just to have somewhere to go to  
Give it all away  
Just to have somewhere to go to

Give it all away  
Just to have somewhere to go to  
Give it all away  
Just to have somewhere to go to

This is my December  
This is my time of the year  
This is my December  
This is all so clear
