Scar Symmetry, 2012 - The Demise Of The 5th S

Pinnacle of evolution The end of linear time Progress or termination Cosmic ray mutation

It's the question that burns inside Will we perish or rise with the tide When the waters of consequence Comes rushing forth

For the lines on the fractal wave Fits the course of history They're created to work as one 'til the end

A dimensional shift Leap in consciousness Or a dire destiny Asteroid fatality

It's the question that burns inside Will we perish or rise with the tide When the waters of consequence Comes rushing forth

For the lines on the fractal wave Fits the course of history They're created to work as one 'til the end At a time when terrestrial And galactic grids align The demise in 2012 realized

Pinnacle of evolution, the end of linear time Progress or termination Cosmic ray mutation A dimensional shift, leap in consciousness Or a dire destiny, asteroid fatality

(Solo)

For the lines on the fractal wave
Fits the course of history
They're created to work as one 'til the end
When the winter solstice comes
Actualizing the prophecy
The demise in 2012 realized
