

Schaeffer, I love you with a crash

He says I love you, with a crash. The call it drops, her phone falls to her lap.
His head hits the windshield and everything turns black, everything turns black.
So she tries a quick call back. His phone must be jacked.
Shell just call again later.
As he looks up they say, Youre gonna be fineTell that driver to drive!
I love you. (with a crash)
