Sconosciuto, Old Rock 'N' Roll.Mp3

Just take those old records off the shelf III sit and listen to em by myself Todays music aln t got the same soul I like that old time rock n roll Dont try to take me to a disco Youll never even get me out on the In ten minutes III be late for the door I like that old time rockn roll

Still like that old time rockn roll
That kind of music just soothes the soul
I reminisce about the days of old
With that old time rock n roll
Wont go to hear them play a tango
Id rather hear some blues or funky old soul
Theres only sure way to get me to go
Start playing old time rock n roll
Call me a relic, call me what you will
Say Im old-fashioned, say Im over the hill
Today music aint got the same soul
I like that old time rock n roll

Still like that old time rockn roll
That kind of music just soothes the soul
I reminisce about the days of old
With that old time rock n roll
