

Scooter, Bora! Bora! Bora

Smack in the track
like ice
victorious days
king's back
ice all over the place
mix liquor
With cash on the track
You're my trick
You're my seniora
Bora! Bora! Bora!

Bora!
We've got the energy

Livin In the mc

Let's back bitch to the IMG
Quick trigger

...
You're my trick
You're my seniora
Bora! Bora! Bora

Bora!
We've got the energy
Livin In the mc

Let's back bitch to the IMG
Quick trigger

...
You're my trick
You're my seniora
Bora! Bora! Bora

Bora!
Straight to the floor
Yeah
Smash up the slice
To jump or not to jump
That is the QUASTION
It's a vibe
You're 25
We're still alive
And lyrics fly to the sky
We ... Bora
Bora! Bora! Bora!

Bora! Bora! Bora!
