We got the power!

A nightmare came true  
The worst year ever  
No everyone succed  
Teh every one is insane  
Insane, mad and rave

We running  
Till we can't no more  
No obstacle  
And hold us back ...  
We're unstoppable  
There's imposibe  
we reach for more  
We keep running  
Coz we are unstoppable  
We running  
Till we can't no more  
No one ...  
And hold us back ...  
We're unstoppable  
There;s imposibe  
We keep running  
Coz we are unstoppable

we won't stop  
the next year we drop  
i don't give a penny

We running  
Till we can't no more  
No obstacle!  
And hold us back ...  
We're unstoppable  
There's imposibe  
we reach for more  
We keep running  
Coz we are unstoppable

We running  
Till we can't no more  
No obstacle  
(We never stop)  
And hold us back ...  
We're unstoppable  
There's imposibe
