

# Scorpions, Wind of Change (wersja dla Ukrainy)

Now listen to my heart  
It says Ukraina  
waiting for the wind to change

Now listen to my heart  
It says Ukraina  
waiting for the wind to change

A dark and lonely night  
Our hopes and dreams don't die  
Waiting for the wind of change

The world is closing in  
Did you ever think  
That we could be so close, like brothers

The future's in the air  
Can feel it everywhere  
Blowing with the wind of change

Take me to the magic of the moment  
On a glory night  
Where the children of tomorrow dream away  
In the wind of change

Walking down the street  
Distant memories  
Are buried in the past, forever

Now listen to my heart  
It says Ukraina  
Waiting for the wind to change

Take me to the magic of the moment  
On a glory night  
Where the children of tomorrow dream away  
In the wind of change

Take me to the magic of the moment  
On a glory night  
Where the children of tomorrow dream away  
In the wind of change
