

Scott Stapp, If These Walls Could Talk (feat. Dor

They've seen me pick the bottle up and put the Bible down
They've heard me crying out more times than I can count
They've seen me fall, seen me crawl, seen me stand
They know what I'm not and they know who I am

If these walls could talk
They'd tell the hell and the secrets, the demons I fought
They know just how far I've come
If these walls could talk

They've seen me talking to myself and talking to God
They've seen me at the bottom, praying for the top
They've seen me fall, seen me crawl, seen me stand
They know what I'm not anymore and they know who I am

If these walls could talk
They'd tell the hell and the secrets, the demons I fought
They know just how far I've come
If these walls could talk

Had to live, had to learn, had to burn it all down
I had to get lost to get found

If these walls could talk
If these walls could talk

If these walls could talk
They'd tell the hell and the secrets, the demons I fought
They see just how far I've come
If these walls could talk

If these walls could talk
If these walls could talk
