Scott Walker, You're Gonna Hear From Me

Move over sun And give some sky I've got me some wings I'm eager to try I may be unknown But wait til I've flown

You're gonna hear from me

Make me some room You people up there On top of the world I'Il meet you, I swear I'm staking my claim Remember my name

You're gonna hear from me

Fortune smiles
On the road before me

I'm fortunes child Listen world you cant ignore me

I've got a song That wants to be played Raise up a flag Begin my parade Then watch the world over Start coming up clover

That how it's gonna be You'll see

You're gonna hear from me
