

# Scotty Don't, You

Where ya goin'  
How ya been  
I was thinkin' bout the not so way back when  
You were hangin'  
Back at home  
And you didn't know about the word alone  
Now I'm not sayin'  
That it's so wrong  
Cause without it I just wouldn't have this song  
There'd be nothin'  
To write about  
And not other way that I could let it out

Cause it's you  
Cause it's you  
Yeah you  
Yeah you

Now I'm tryin'  
To pass the time  
Cause for some reason I can't get you off my mind  
Seems my clock  
Is way to slow  
And there isn't anywhere I have to go

Well it's gettin' cold outside  
But I don't care cause I'll be back again someday now honey  
And we can take another ride  
And I wouldn't have it any other way

Cause it's you  
Cause it's you  
Yeah you  
Yeah you
