

Scout Niblett, Big Bad Man

big bad man
big bad man
lives all alone in the blue hills
big bad man
big bad man
I just want to be friends with you
big bad man
big bad man
everyone seems scared of you

big bad man
big bad man
they say that you ate kids too
they say that you eat kids too
is it true?
is it true?
is it true?
is it true?

big bad man
big bad man
lives all alone in the blue hills
big bad man
big bad man
I'm gonna find you, and my friend, too

big bad man
big bad man
i'm gonna cook you some real food
I'm gonna cook you some real food
I'm gonna cook you some real food
I'm gonna cook you some real food
I'm gonna cook you some real food
I'm gonna cook you some real food
I'm gonna cook you some real food
