

Scout Niblett, Wide Shoulders

can i just be the way I was going to be
in your eyes?
can I just lose my way?
all I need is here

can i just be the way i was going to be
in your eyes?
can I just lose my way?
all I need is here

can I just look at myself long enough to see
home is a golden gate place
I keep in my sleep

shoulders are wide this time
helps me feel like a strong grounded man
they let me slam so fine
steady strokes hold my shine

can I just be the way I was going to be
in your eyes?
can I just lose my way?
all I need is here

can I just look at myself long enough to see?

home is a golden gate place
I keep in my sleep

can I just be the way I was going to be
in your eyes?
can I just lose my way
all I need is here...
