

# Scratchingpost, Empires Will Fall

I'm waiting, for something  
Exciting but I just can't get enough of you  
I found it, and I love it  
And I've waited, for you

And even though I care (x3)

There's magic, that happens  
Between us and I just can't get enough of you  
I'm trying, it's not working  
And I'm hoping for you

And even though I care (3x)  
Hearts are breaking (4x)  
Now

And I want to, forget you  
It's not working but I just can't get away from you  
It's chaos, and I'm hurting  
but I'm waiting for you

And even though I care (x3)  
Hearts are breaking (x7)  
My heart is breaking
