

# Scream Maker, Deliverance

Don't treat me like I should care  
And listen to the track they play  
It's time to break the chains and fly  
Away from you and all your lies

Still I don't know how  
Still I don't know when  
But I will be alright  
And I'll be fine

Don't want to be broken and bent anymore  
It's time to regain full control  
I sense there's a light in the end of it all  
That let me see clear once again

I've been controlled through whole my life  
By strange illusions of my time  
Mistakes they spread so far and wide  
Have filled my soul and made it dry

Still I don't know how  
Still I don't know when  
But I will be alright  
And I'll be fine

Ref. Don't want to be broken and bent anymore...

My fight with you is over now  
Now I'm in charge of my own life  
Your orders I obey no more  
The pain you gave me is now long gone

Now I'm free and well  
With hope for better days  
Finally I found my way  
It feels so great

Ref. Don't want to be broken and bent anymore...
