

Sea Of Green, Ashes To Dust

It's Just Another Day
Still Driftin Away
I'm Loaded Like A Gun
Now I'm Waiting For The Sun

I'm Living My Dreams
I'm Living Them Now
Never Thought It Could Be
But I Made It Somehow

Everybody Get Off My Back
Or I'll Be On The Attack
You're Always Up In My Face
You're Nothing But A Fucked Disgrace

Let's All Trust In One
Still Baked In The Sun
Can't Control The Lust
It's Ashes To Dust

I'm Living My Dreams
I'm Living Them Now
Never Thought It Could Be
But I Made It Somehow
