Sea Of Green, Ashes To Dust

It's Just Another Day Still Driftin Away I'm Loaded Like A Gun Now I'm Waiting For The Sun

I'm Living My Dreams I'm Living Them Now Never Thought It Could Be But I Made It Somehow

Everybody Get Off My Back Or I'll Be On The Attack You're Always Up In My Face You're Nothing But A Fucked Disgrace

Let's All Trust In One Still Baked In The Sun Can't Control The Lust It's Ashes To Dust

I'm Living My Dreams I'm Living Them Now Never Thought It Could Be But I Made It Somehow
