

Seabear, Robin Sparrow

Robin Sparrow
Know you're the only one
Who can make me sad

And if our hands should
Meet again
Let them

Not much is what you talk
Time might take a flight
And lock the door

'Cause I'm not passing it here on your radio
And there's a train coming forward
We'll know when to listen

Robin Sparrow
Know you're the only one
Who can make me sad
